After a long day of attending sessions at the Annual Meeting, it is good to have a haven to relax and recharge for the next day. AAR has negotiated special conference rates at six luxurious and convenient hotels for the convenience of meeting attendees. Hotel room rates do not include the average of 15.6 percent hotel room tax. Please note that the single/double/triple/quadruple room designation denotes the number of room occupants, not the number of beds. A triple room means three people are sharing two double beds, unless a rollaway bed is requested at an extra charge.
