

## Call for Proposals

This Group is seeking papers or panels on several themes:

- Ecological evil
  
- Time — linear, cyclical, seasonal, mythic, no time
  
- Ecological restoration and service learning
  
- Rio + 20
  
- Queer ecologies
  
- Exploring, in a cosponsored session with the [Religion and Disability Studies Group](#) , intersections of environmental crisis and disability — the social/religious refiguring of disability in light of the Anthropocene, the relationship between environmental health, toxics, and disability, and critical race/class implications of how bodies are affected by environmental risk

## Mission

This Group critically and constructively explores how human–Earth relations are shaped by

religions, cultures, and understandings of nature and the environment. We are self-consciously inter- and multidisciplinary and include methods such as those found in the work of theologians, philosophers, religionists, ethicists, scientists, and anthropologists, among others.

## Anonymity of Review Process

Proposals are **anonymous** to Chairs and steering committee members until **after** final acceptance/rejection.
