

Call for Proposals

This Consultation seeks papers on the topic of Martin Luther and the Jews. Approaches to the topic could be sociological, economic, historical, political, cultural, as well as theological in nature. We aim to bring together a range of perspectives to help expand understandings of Luther's views of Jews and the Jewish tradition.

Mission

This Consultation seeks to provide an avenue for a comprehensive conversation on both Lutheran history and thought in the global context. In so doing, we are able to draw on an immensely rich tradition that goes far beyond Lutheran parochial interests and includes the relationship to other Christian traditions as well as cultures in the global South.

Anonymity of Review Process

Proposals are anonymous to Chairs and Steering Committee Members during review, but visible to Chairs prior to final acceptance or rejection.
