

Call for Proposals

This Group invites proposals in two topic areas:

- Image and participation in Platonism (Hellenic, Jewish, Christian, and Islamic)
- Cambridge Platonism — context, controversies, and relevance

Mission

This Group is committed to the ongoing study of Platonic traditions in connection with the history and philosophy of religions, from antiquity to the present. We are supported in this effort by the [International Society for Neoplatonic Studies](#). Several of our panelists have published their papers in the Society's *Journal of Neoplatonic Studies* as well as in other refereed journals in classics, religious studies, theology, and philosophy.
